Corporate F.A.M.E Australia are specialists in teambuilding programs with a difference. Corporate F.A.M.E provide truly unique and effective team-based events. Team building programs, we believe, should be designed and built on a foundation of subliminal learning facilitated by a fun, shared experience that is interactive for all involved and, above all, that promotes a team spirit through shared laughter and enjoyment. Corporate F.A.M.E Australia has been in Team Building and Corporate Health and Fitness designing and programming since 1996. With the skills and resources to amalgamate four separate industries;

We invite you to take a moment to view our programs listed, contact us to discuss your aims and objectives, then simply allow us to tailor your next event/program specific to the needs of your industry, company and people. We offer our services predominantly in the Gold Coast, Sunshine Coast & Fraser Coast areas. Upon request we can adapt our programs to work with Sydney, Melbourne & Cairns surrounding areas.

Sparked by a growing interest in staff development and team building 'with a difference', in 2001 we carried out market research to determine the possibility of transferring the principles used by four separate industries; Fitness, Adventure, Motivation and Education into a Corporate Development setting.

This heralded the birth of F.A.M.E Lifestyle Consulting at Noosa - Sunshine Coast Queensland.
