What do you get if you combine a Paris Hilton flirting with a stranger, Jack Sparrow crawling through the bush with some 'ring in' pirates, a group of wanna be singers doing their version of Mumma Mia in the centre of Hastings St Noosa AND a manager that moos like a cow... in public?! Yep! ABBOTT Nutrition delegates came, saw & terrorised the Noosa locals (and tourists) on a mad Celebrity Scavenger Hunt through the famous Hastings St & surrounds... our CFA team want to say a big thank you to the ABBOTT crew - AWESOME afternoon!
